Blencathra Em

Dave Camlin

Altos: We turn our faces to the wind,
And in our hearts begin to sing
Sops: The timeless song that reunites the earth and sky.
Altos: Beyond the boundaries of time,
The past and present side by side,
Our ancestors and all our futures unified:
All: Spirit and land are one.

Altos: We walk the paths our fathers walked,
And sing the songs our mothers sang;
Sops: A song of joy, a song of hope for those to come.
Altos: And in the moment that we sing,
Our breaths and hearts co-mingling,
This perfect peace is how we know that we are home:
All: Spirit and land are one.

Altos: We turn our faces to the wind,
And in our hearts begin to sing
Tenors: A song of hope, a song of joy, a song of love:
All: Spirit and land are one.

Better Planet, A Cm

Dave Camlin & Wild Chorus

The / world is going crazy - it's / clear to you and me
The / temperature is rising, and / so... is the sea
Doing what we can to pre/vent catastrophe

And that's why you should sing...

Plastic in the oceans and / rubbish on the land
Pesticides in soil and / oil on the sand
If we don't act now, the / earth is surely damned
And that's why you should sing...

Sing as if you live in the early days of a better planet

Animal extinctions - the / land is shrinking fast
There's / little time to lose be/fore the die is cast
There's / red sky in the morning, and / shame on all our past
And that's why you should sing...

Let's become the gard'ners and / guardians of the sea
Rather than consumers, be / medicine to heal
Re/store the wilder places that / nourish all our dreams
And that's why you should sing...

Sing as if you live in the early days of a better planet

We / owe it to our children, to / heal our earth and space;
We / owe it to their future to / not be their disgrace;
Save our wounded planet, and re/pair what we've defaced
And that's why you should sing...

Now's the time for change; we / have to face the facts
To/gether we can do it, and / have a big impact
We can make it happen, but we / simply have to act
And that's why you should sing...

Sing as if you live in the early days of a better planet

Bright Wings D

Gerard Manley Hopkins arr. Dave Camlin

The world is charged with the grandeur of God.
It will flame out, like shining from shook foil;
It gathers to a greatness, like the ooze of oil
Crushed. Why do men then now not reck his rod?

Generations have trod, have trod, have trod;
And all is seared with trade; bleared, smeared with toil;
And wears man's smudge and shares man's smell: the soil
Is bare now, nor can foot feel, being shod.

And for all this, nature is never spent;
There lives the dearest freshness deep down things;
And though the last lights off the black West went
Oh, morning, at the brown brink eastward, springs —
Because the Holy Ghost over the bent
World broods with warm breast and with ah! bright wings.

The Change Cm

Gandhi arr. Mary Cohen / Dave Camlin

(Be the change we want to see the change we want to...)
Who, who do we want to become?
We want to be the change that we want to see,
To see in the world, oh who? Who?

Who we are, oh, who we are, we are!

Chinese Proverb Eb

Sharon Durant

When there is light in the soul, there is beauty in the person;
When there is beauty in the person, there is harmony in the home;
When there is harmony in the home, there is honour in the nation;
When there is honour in the nation, there is peace in the world.

Clean Air Prayer F

Bex Mather

Let me breath clean air (*oh, let me breathe*)
No pollutants, no dust, dust, no dust.
Let me show I care (*I care*)
And do what I must, must, I must.
Oh, let me breathe clean air
It's up to me and to you (*to you*)
Dust motes in sunlight won't obscure the truth

Let me see clear skies (*oh, let me see*)
No smog and no haze, haze, no haze
Let me take action (*action*)
Own the part that I play, play, I play
Oh, let me see clear skies
It's up to me and to you (*to you*)
Flight trails in blue skies won't obscure the truth

Do It Now! Em

We need to wake up, we need to wise up,
We need to open our eyes and do it now! Now! Now!
*We need to build a better future,
And we need to start right now*

We're on a planet that has a problem
We have to solve; get involved and do it now! Now! Now!
*We need to build a better future,
And we need to start right now*

Make it greener, make it cleaner,
Make it last, make it fast, and do it now! Now! Now!
*We need to build a better future,
And we need to start right now*

Na na na na...

Dona Nobis Pacem G

Dave Camlin

Give us peace, give us peace, oh give us peace
Give us peace, give us peace, peace, oh give us peace, peace
Oh give us peace, give us peace, give us peace
Oh give us peace, oh give us peace

Elesa E

Trad. Georgian

Call: Elesada, Elesa!

ALL: Elesa, he!

(Elesada) vo, elesa(da) o-i-e-le-si-o-da
Alesaida, o-i-elesa, o-i-e-le-si-a-da (repeat)

Elesaida, o-i-elesa, vo-i-e-le-si-a-vo
Elesada, o-i-elesa(da) vo, vo-i-e-le-si-a-vo (repeat)

Elesa, elesa, elesa, siavo (repeat)
Elesada, Elesa! Elesa, he!

Fellowship of Hill and Wind and Sunshine C

Geoffrey Winthrop-Young

Upon this mountain summit we are met today
To dedicate this space of hills to freedom.
Upon this rock are set the names of men –
Our brothers, and our comrades upon these cliffs –
Who held, with us,
That there is no freedom of the soil
Where the spirit of man is in bondage,
And who surrendered their part
In the fellowship of hill and wind, and sunshine,
That the freedom of this land,
The freedom of our spirit, should endure.

Enough is Enough Am

Karine Polwart & Oi Musica

It's been so long since your first breath, I hold you in my heart (repeat)

You needed water, I gave you the sea
You needed shelter, I gave you the tree
You needed fire, I showed you the sun
You needed air, to breathe, to breathe, to breathe

I give you all I have but you always want more
I give it freely to you but you always want more
I give you all I have but you always want more
I give it freely to you

Enough is enough, but it's never enough
Enough is enough, it's all that you need (repeat)

Didn't I give you everything, (we'll give you everything)
Didn't I give you everything, (we will give you everything)
Didn't I give you everything you need (give you all you need)

The tree and the bird and the fish and the bell

Wherever there's a tree that never grew (we will let it grow)
Wherever there's a bird that never flew (we'll let it go)
Wherever there's a fish that never swam (we'll let it swim on up the river)
Wherever there's a bell that never rang (you can ring it, ring it!)

The tree and the bird and the fish and the bell

First Light D

First Light (repeat)

S+ + + + A+ S+ T- B- A+ S- A- B-

First light on Lindisfarne, dawn suffuses the sky
Pink, violet and gold; night's sweetest goodbye.
Gently rousing from her sleep, to the dark's dismay
This earth stirs into life; hail the waking day

Sun rises over sea, glorious to behold,
Under that vaulted sky a rich treasure of gold
And where Aidan proudly stood, here may we stay.
This earth stirs into life; hail the waking day.

Fracking Song Bb

Emily Blyth

Find a world with unlimited water,
Where pollution is useful and rare
Where earth-quakes don't pose any danger,
And go fracking there!

Where climate change won't make a difference,
A planet with nothing to lose
Take your drills and your poisons and go there,
And frack all you choose.

Find a world where there's nobody living,
The landscapes are empty and bare,
No habitats needing protection
And go fracking there!

Find me a planet where there's no other way;
No wind and no sun shining every day
Where the tides, they roll out, but they never roll back;
That's where you should frack!

Where no-one is drinking the water, and nobody's breathing the air,
You can churn up the land all you want to, and no-one will care;
Go fracking there!

Freedom is Coming G

Oh freedom! Oh freedom! Oh freedom!
Freedom is coming! Oh yes I know!
Oh yes I know! Oh yes I know! Oh yes I know! Oh yes!
Oh justice...

Friends F

Timmon Milne

Friends, only love can bring peace,
So let us love with all our hearts
'til our days are done and peace is won,
'til peace is won.

Happy Xmas (War Is Over)

John Lennon

D	Em	A	D
G	Am	D	G
C	D	Am – C	G - A

So this is Xmas and what have you done?
Another year over and a new one just begun
And so this is Xmas I hope you have fun
The near and the dear ones, the old and the young
A very Merry Xmas and a happy New Year
Let's hope it's a good one without any fear

And so this is Xmas for weak and for strong
For rich and the poor ones the world is so wrong
And so happy Xmas for black and for white
For every nation, let's stop all the fight
A very Merry Xmas and a happy New Year
Let's hope it's a good one without any fear

So this is Xmas and what have we done?
Another year over and a new one just begun
And so this is Xmas we hope you have fun
The near and the dear ones, the old and the young
A very Merry Xmas and a happy New Year
Let's hope it's a good one without any fear

War is over, if you want it
War is over now

I Can See The Stars A

Dave Camlin

It feels as if the silent earth is breathing out,
Filling up the sky,
And when I raise my head and look,
I can see the stars!

Illa Lucem Extendebat Am / C

Helen Chadwick

Men: Though evil comes, I hope...
 Though evil comes, I hope...
 Though evil comes, I hope for good,
 I hope, I hope, I hope for good, and wait for the light

Illa lucem extendebat

I'm Gonna Lift My Brother Up D

Peter and Mary Alice Amidon

I'm gonna lift my brother ¹up, he is not heavy x3
If I don't lift him up (x3), I will fall down

In the Dark Times Eb

Bertolt Brecht, arr. Helen Chadwick

In the dark times, will there also be singing?
Yes, there will also be singing.
(About the dark times)

In Times Like These Eb

Ben See

In times like these, don't be a stranger,
In times like these, reach out to me.

¹ Sister, children, people, neighbour

Inversnaid D

Gerard Manley Hopkins arr. Dave Camlin

Wildness and wet, let there be
Wilderness yet, Let there be...

What would the world be, once bereft
Of wet and wildness, let them be left,
O let them be left, wildness and wet,
Long live the weeds and the wilderness yet!

Last Night I Had the Strangest Dream Bb

Em McMurdy

Last night I had the strangest dream I ever dreamed before
I dreamed the world had all agreed to put an end to war
I dreamed I saw a mighty room, and filled with women and men
And the paper they were signing said they'd never fight again

And when the papers all were signed and a million copies made
They all joined hands and bowed their heads, and grateful prayers were prayed
And the people in the streets below were dancing round and round
And guns and swords and uniforms were scattered on the ground

Lay Fallow Am

*Heed the voice in the wind my child
Leave the field til the grass grows wild
Every blade is borrowed
Let the land lay fallow*

Down below the waste and weed
Dormant lie forgotten seed
Waiting for to have their head
And sow again the ancient bed

Long before the jubilee
Wiser heads than ours believed
Offered thanks of fruit and grain
Brought the seasons round again

Though your lot seems fair at best
And this plot a poor bequest
When every ounce of gold is found
The prize will lie in fertile ground

Born around the birth of flame
The primal wind knows time, knows change
Commands the skies and moves the land
Yet trembles in the human hand

Lean On Me C

Bill Withers

Sometimes in our lives we all have pain, we all have sorrow
But if we are wise, we know that there's always tomorrow

*Lean on me, when you're not strong
And I'll be your friend; I'll help you carry on
For it won't be long 'til I'm gonna need somebody to lean on*

Please swallow your pride, if I have faith you need to borrow
For no one can fill those of your needs that you won't let show

Lean on me...

*You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on*

If there is a load you have to bear that you can't carry,
I'm right up the road, I'll share your load if you just call me.

*Lean on me...
You just call...
Lean on me...*

Lelo Lelo Sakartvelo Dm

Jordan Jordania

bi - ch'e-bo le-lo, le-lo, sa - kar-tve-lo, bi - ch'e-bo he!
le-lo, le-lo, sa - kar-tve-lo, bi - ch'e-bo he!
le-lo, le-lo, sa - kar-tve-lo, bi - ch'e-bo he!

Let the River Run Free D

Whitehaven Academy and St. Bridget's RC Primary School, with Dave Camlin

*Let the river run free, from the fells to the sea,
It's time to change our polluting ways,
Not just survive; let the river thrive!
Together we can find the key,
And let the river run free.*

From the top of the mountain
To the ocean's golden sand
The river weaves through the valley
Bringing life and hope into the world,
And power to the land.

Let the river run free...

Though we poison the water
There's still time to take a stand
Because all Nature is precious
This is our future, time to make a change
Do everything we can, to...

Let the river run free...

And still the river fills with waste
Un- til the river is our disgrace;
We ne- glect the river
And for- get the river,
Why don't we let the river run free?

Let the river run free... (x2)

Let's Work Together G

Canned Heat

United we stand, divided we fall
Come on now people, let's get on the ball and work together
Come on, come on let's work together, now now people
Because together we will stand, every boy every girl and man

So when things go wrong, as they sometimes will
The road you travel, it stays all uphill, let's work together,
Come on, come on let's work together...

Make someone happy, make someone smile,
Let's work together and make life worthwhile, let's work together,
Come on, come on let's work together...

Me Kuljemme Kaikki Kuin Summusa D

Rajat on

Me kuljemme kaikki kuin sumussa taalla ja kuulemme aania kuutamoyon, me astumme hyllyvan sammalen paalla ja illan on varjoa ihmisen syon.	<i>Me cool yemmer kikey cuin sumussa tellair</i> <i>Ya cool yemmer ernia kootamoyoon,</i> <i>me astumme hillivan samallen perlla</i> <i>ja illan on varyoa ichmisen syoon</i>
Mut aanta jos kaksi yhtehen laulaa yon helmassa toistansa huhuilevaa ja varjoa kaksi jos lempien kaulaa, se sentaan, se sentaan o ihanaa! Ihanaa! Ihanaa! Ihanaa! Ihanaa! duu duu duu	<i>Mut aanta jos kaksi uchtehen laulaa</i> <i>yon helmassa toistansa huchuilevar</i> <i>ja varyoa kaksi yos lempien kaular,</i> <i>se sentaan, se sentaan o ihanaa!</i> <i>Ihanaa! Ihanaa! Ihanaa! Ihanaa!</i> <i>duu duu duu</i>

We are all walking like in a fog here
And hearing sounds of full moon night
We step on the wiggling moss
And evening is the shadow of a human's heart

But if two voices sing together
Calling each other in the hem of night
And if two shadows lovingly hug
That at least, that at least is wonderful!
Wonderful! Wonderful! Wonderful! Wonderful!

Mercedes Benz C

Janis Joplin

O Lord won't you buy me a Mercedes Benz?
My friends all have Porsches, I must make amends.
Worked hard all my lifetime, no help from my friends,
O Lord won't you buy me a Mercedes Benz

O Lord won't you buy me a colour TV?
UPS and Amazon are trying to find me,
I wait for delivery each day until three
O Lord won't you buy me a colour TV?

Oh Lord, won't you buy me a night on the town?
I'm counting on you, Lord, please don't let me down.
Prove that you love me and buy the next round,
Oh Lord, won't you buy me a night on the town?

Navajo Prayer Bm

Kabir, arr. Jody Healey

When you were born, you cried and the world rejoiced;
Live your life so that when you die the world cries, and you rejoice.

o sweet spontaneous earth E

ee cummings / Robin Wall-Kimmerer

o sweet spontaneous earth (repeat)

Standing at the crossroads, one way is soft and green
And the other road is scorched and hard;
Turn from the splintered highway,
Go barefoot, follow the green and grassy path:

Deep ancestral wisdom we lost along the way,
So we gather the fragments with our hands;
All that we have forgotten is remembered:
It is remembered by the land:

Nothing But Flowers C

David Byrne / Talking Heads

A (groove)

B1 Here we stand like an Adam and an Eve
Waterfalls, the Garden of Eden
Two fools in love, so beautiful and strong
The birds in the trees are smiling upon them

C: From the age of the dinosaurs cars have run on gasoline
Where, where have they gone? Now, it's nothing but flowers!

D: There was a factory, now there are mountains and rivers (*you got it x2*)
We caught a rattlesnake, now we got something for dinner (*you got it x2*)
E: There was a shopping mall, now it's all covered with flowers (*you got it x2*)
If this is paradise I wish I had a lawnmower (*you got it x2*)

A (groove)

B2 Years ago there was an angry young man
And they'd pretend that they were a billboard
Standing tall by the side of the road
They fell in love with the beautiful highway

C: This used to be real estate now it's only fields and trees
Where, where is the town? Now, it's nothing but flowers!

F: The highways and cars were sacrificed for agriculture
I thought that we'd start over, but I guess I was wrong

D: Once there were parking lots, now it's a peaceful oasis (*you got it x2*)
This was a Pizza Hut, now it's all covered with daisies (*you got it x2*)

E: I miss the honky tonks, Dairy Queens, and 7-Elevens (*you got it x2*)
And as things fell apart, nobody paid much attention (*you got it x2*)
I dream of cherry pies, candy bars, and chocolate chip cookies (*you got it x2*)
We used to microwave, now we just eat nuts and berries (*you got it x2*)
This was a discount store, now it's turned into a cornfield (*you got it x2*)
Don't leave me stranded here, I can't get used to this lifestyle

One World Eb

John Martyn

Some of us live like princes
Some of us live like queens
Most of us live just like me
We don't know what it means
To take our place in one world
To make our peace in one world
To make our way in one world
To have our say in one world

If you ain't got two words to say
Then I can't talk to you
No use crying, there's been no crime
I say it's just the way the wind blows
Just the name of the game
The way of the world, way of the world
Just the way of the world
Just the way of the world

So cold and lonely
Cold and lonely
Cold and lonely world
It's just a cold and lonely world
It's one world, like it or not
It's one world, believe it or not
It's one world
It's one world, believe it or not
One world, like it or not
It's one world

Onwards and Upwards Em

Onward and upwards, ever onwards!

Let not adversity's wounds defeat us,

"Do or do not do; there is no try"

Raise our voices! Carpe diem! Seize the day!

Outdoor Type, The D

Tom Morgan

Always had a roof above me, always paid the rent
And I never set foot inside a tent
Couldn't build a fire to save my life
I lied about being the outdoor type

I've never slept out underneath the stars,
The closest that I came to that was one time my car
Broke down for an hour in the suburbs at night
I lied about being the outdoor type.

Too scared to let you know you knew what you were looking for
I lied until I fit the bill god bless the great indoors
I lied about being the outdoor type
I've never owned a sleeping bag let alone a mountain bike

I can't go away with you on a rock climbing weekend
What if somethings on tv and it's never shown again?
Its just as well I'm not invited I'm afraid of heights
I lied about being the outdoor type

Too scared to let you know you knew what you were looking for
I lied until I fit the bill god bless the great indoors
I lied about being the outdoor type
I've never owned a sleeping bag let alone a mountain bike, but I

Always had a roof above me, always paid the rent
And I never set foot inside a tent
Couldn't build a fire to save my life
I lied about being the outdoor type
Never learned to swim can't grow a beard or even fight
I lied about being the outdoor type

Passing Through D

Mark Erelli

We are passing this world on to our kids
From the moment that they climb out of their cribs
We try to teach them well and show them they are loved
But in the end all we can do is hope our best is good enough
For they'll witness how this life can be so beautiful and cruel
We can't shelter them forever but if we show them all the tools
They might leave this place in a little better shape than me and you
We are only passing through

Passing through, passing through, we are only passing through

We've been watching this world from our living rooms
It's been near 40 years since we walked on the moon
And this big blue ball keeps shrinking, and I don't know if that's good
But for better or for worse now this whole world's our neighborhood
There's no place left to run to where you can stay above the fray
We all learn to need to get along and not just get our way
Not only for each other but for our children's children too
We are only passing through

I wonder sometimes what I will pass on
And how much can one voice do with just a song
Sometimes injustice and indifference are the only things I see
But I refuse to let my hope become the latest casualty
So I'll sing of love and truth and try to practice all I preach
And if I can't change the world, I'll change the world within my reach
And what better place to start than here and now with me and you
We are only passing through

Rolling Home D

John Tams

Round goes the wheel of fortune, don't be afraid to ride
There's a land of milk and honey waits on the other side
There'll be peace and there'll be plenty, you'll never need to roam
When we go rolling home, when we go rolling home

*Rolling home, when we go rolling home, when we go
Rolling, rolling, when we go rolling home.*

The gentry in their fine array, they prosper night and morn
While we unto the fields must go to plough and sow the corn
The rich they steal the power, but the glory's ours alone
When we go rolling home, when we go rolling home

The frost is on the hedgerow, the icy winds do blow
While we poor weary labourers strive through the driving snow
Our dreams fly up to glory of where the lark has flown
When we go rolling home, when we go rolling home

The summer of resentment, the winter of despair
The journey to contentment is set with trap and snare
Stand to and stand together, your labours yours alone
When we go rolling home, when we go rolling home

So pass the bottle round and let the toast go free
Here's a health to every labourer wherever they may be
Fair wages are now or never, let's reap what we have sown
When we go rolling home, when we go rolling home

The Season is Turning Around C

Melody: The season is turning around,
Celandines glowing on edges of ditches
Under a clear blue sky,
Bathing in warm sunlight;
Circling high, returning birds
Herald the waking of the earth. (Now that...)

Basses: The season is turning around and around
All under a clear blue sky in the warm sunlight
Circling high, circling high, circling high, circling high, (now...)

End: The season is turning around (repeat)
(last time) and around.

Single Drop of Rain, A A

Dave Camlin

A single drop of rain falls upon a mountain-top
Alone beneath the sky, dreaming of the ocean,
And if, by chance, they hear the natter of a sparkling beck,
They join the joyful dance, singing through the hills and onward to the sea.
The river's wide embrace keeps time and threads the pace,
Containing in each drifting pulse a million drops of rain.
We gather on the shore, and we let our voices soar
Where the river meets the sea,
And wonder how a single drop of rain becomes the ocean's mighty swell.

So Much Magnificence C

Peter Makena

A: Waves are coming in (x8)
B: There is so much magnificence near the ocean
C: Allelujah (x2)

Song of the Century C

Billie-Joe Armstrong / Green Day

Sing us a song of the century
That's louder than bombs and eternity
The era of static and contraband
That's leading us into the promised land
Tell us a story that's by candlelight
Waging a war and losing the fight
Sing a song of the century
Of panic and promise and prosperity
Tell me a story into that goodnight
Sing us a song for me

Sing us a song of the century,
Sings like American eulogy
The dawn of my love and conspiracy
Forgotten hopes and the class of '13
Tell us a story that's by candlelight
Waging a war and losing the fight
Sing a song of the century
Of panic and promise and prosperity
Tell me a story into that goodnight
Sing us a song for me

Suffrage Round Em

Suffragette slogans / Theodora Mills arr. Sharon Durant / Dave Camlin

S: For the work of a day, for the taxes we pay
For the laws we obey, we want something to say!
A: Stand up women, for the fight is hard and long;
Stand up in thousands singing loud your battle song;
Right is might, and in strength we shall be strong;
Our truth goes marching on!
T: Now's the time and now's the hour;
Better is wisdom than weapons of war!
B: If you dare to be free, deeds not words for victory!
All: Solidarity Forever! Solidarity Forever!
Solidarity Forever! Our truth goes marching on!

This Land is Your Land D

Woody Guthrie

*This land is your land, this land is my land,
From Carlisle-fornia to Walney Island
From Grizedale Forest up to Blencathra
This land was made for you and me*

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me

I roamed and rambled and I followed my footsteps
to the sparkling shores of her diamond lakesides
While all around me a voice was sounding
This land was made for you and me

When the sun came shining and I was strolling
and the sheep-fields rising and the storm clouds rolling
A voice was chanting as the fog was lifting
This land was made for you and me

Turn The World Around G

Harry Belafonte

We come from the fire, living in the fire
Go back to the fire, turn the world around (repeat)

We come from the water, living in the water
Go back to the water, turn the world around (repeat)

We come from the mountain, living on the mountain
Go back to the mountain, turn the world around (repeat)

*Oh, oh, so is life,
Ah, so is life (repeat)*

*Do you know who I am? Do I know who you are?
See one another clearly; do we know who we are? (repeat)*

Water make the river, river wash the mountain
Fire make the sunlight, turn the world around
Heart is of the river, body is the mountain
Spirit is the sunlight, turn the world around

We are of the spirit, truly of the spirit
Only can the spirit turn the world around (repeat)

*Oh, oh, so is life,
Ah, so is life (repeat)*

*Do you know who I am? Do I know who you are?
See one another clearly; do we know who we are? (repeat)*

*Oh, oh, so is life,
Ah, so is life (repeat)*

Helen Yeomans

We got all the [love], all that we need
To change our world, alleluia!
We got all the [love], all that we need
Blessed Be

What a Wonderful World D

George David Weiss, Robert Thiele

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They're really saying I love you

I hear babies crying, I watch them grow
They'll learn much more than I'll never know
And I think to myself what a wonderful world
Yes I think to myself what a wonderful world

World on our Shoulders C#m

We have called it out, we have said it loud, what now?
From a single voice to the greatest crowd, what now?

With our arms wide open (time for a change)
For every drop in the ocean (we stand today)
We make a resolution (time for a change)
We say, tomorrow's a new day

*I'm here standing with you, here standing with me
Standing with the world on our shoulders (x2)*

We can plant the seeds, we can make a change right now
For a better world, for a better place right now

With our arms wide open (time for a change)
For every drop in the ocean (we stand today)
We make a resolution (time for a change)
We say, tomorrow's a new day

*I'm here standing with you, here standing with me
Standing with the world on our shoulders (x4)*

World Turned Upside Down, The C

Leon Rosselson

In 1649 to St. George's Hill,
A ragged band they called the Diggers
Came to show the people's will.
They defied the landlords, they defied the laws,
They were the dispossessed reclaiming what was theirs.

"We come in peace', they said, "to dig and sow;
We come to work the lands in common
And to make the waste ground grow.
This earth divided, we will make whole,
So it will be a common treasury for all."

"The sin of property we do disdain;
No man has any right to buy and sell
The earth for private gain.
By theft and murder they took the land,
Now everywhere the walls spring up at their command."

"They make the laws to chain us well;
The clergy dazzle us with heaven
Or they damn us into hell
We will not worship the God they serve;
The God of greed who feeds the rich while poor folk starve."

"We work, we eat together, we need no swords
We will not bow to the masters, or pay rent to the lords.
Still we are free, though we are poor.
You Diggers all stand up for glory, stand up now."

From the men of property the orders came;
They sent the hired men and troopers to wipe out the Diggers' claim.
Tear down their cottages, destroyed their corn;
They were dispersed but still the vision lingers on.

You poor take courage, you rich take care;
This earth was made a common treasury for everyone to share.
All things in common, all people one.
We come in peace; the orders came to cut them down.

Woyaya C

Sol Amarifio

We are going, heaven knows where we are going, but we know within
That we'll get there
Heaven know how we will get there, but we know we will,
We know we will

It will be hard, we know, and the road will be muddy and rough
But we'll get there
Heaven know how we will get there, but we know we will, we know we will
Woyaya, woyaya

We shall not give up the fight, we have only started (repeat)
Together we'll have victory, hand holding hand (repeat)
Never ever put to flight, we're bound to win (repeat)

Bring your heart and bring your dreams, bring your hope and sing with me,
Heart, hope, sing with me
Bring your heart and bring your dreams, bring your hope and sing with me,
Heart, hope, sing, sing with me

We'll get there, we'll get there, we know within, we know within.
We'll get there, we'll get there, we know we will, we know we will.
